

I have feelings of anxiousness, and need support for relaxation and calm*

I desire help handling stress*

I need to "downshift" from feeling mentally engaged*

The calm you crave.

Alpha GABA by NeuroScience

Key ingredients to promote calm during times of anxiousness while supporting a healthy response to stress, day or night*

L-theanine

Linked to the generation of **alpha brain waves**, indicating a state of **relaxation**^{1*}

Ashwagandha (*Withania somnifera*)

Sensori[®] is backed by 12 clinical studies and has been shown to **significantly reduce stress and anxiousness**^{2*}

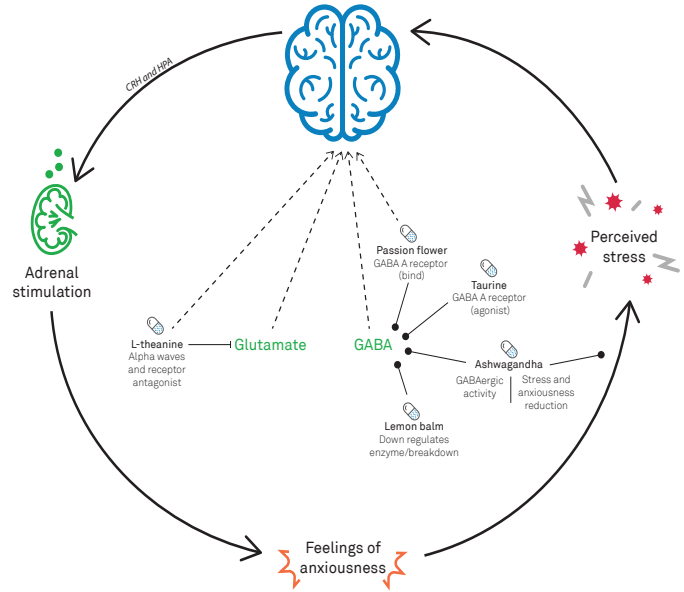

May increase GABA, the primary inhibitory neurotransmitter in the brain important for **calm** and **sleep**³⁻⁵
