Key ingredients to promote calm during times of anxiousness while supporting a healthy response to stress, day or night\*

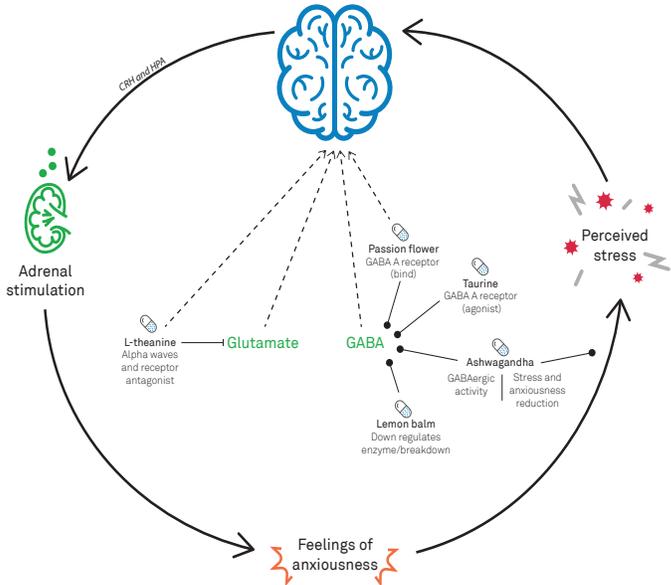

### L-theanine

Linked to the generation of **alpha brain waves**, indicating a state of **relaxation**<sup>1\*</sup>

### Ashwagandha (*Withania somnifera*)

Sensori<sup>®</sup> is backed by 12 clinical studies and has been shown to **significantly reduce stress and anxiousness**<sup>2\*</sup>

May increase GABA, the primary inhibitory neurotransmitter in the brain important for **calm** and **sleep**<sup>3-5</sup>

All NeuroScience products undergo rigorous third-party testing to guarantee label claims of each ingredient and the absence of heavy metals, pesticides, residual solvents, and microbes
